New!

Tutoring on Demand

Have you ever wished...

... you could just spend a few hours one-on-one with an expert in Microsoft Excel, PowerPoint, or Word, or learn the newest version of software, and not have to take a complete class to gain or upgrade the skills you need? Now is your chance to do just that!

Introducing Tutoring On Demand

For just $125 per hour, you can have a private session with one of our expert trainers in Microsoft Excel, PowerPoint, or Word. A lot of training ground can be covered in an hour in such a private session.

Want to share your time with a friend or two? We can do that, for an additional price of only $50 an hour per person.

We’ll coordinate your schedule with our trainers’ availability and arrange a time that works for everyone. Training can be conducted on Edison’s campus or on-site at your facility if you wish.

Contact Susan at (937) 778-7811 or sfunderburg@edisonohio.edu to find out more and schedule your tutoring session.
