Student Certification

I understand this review does not guarantee employment. If hired, I understand that a second review of my eligibility will be completed as my eligibility may change. I understand that a federal work-study award may impact my eligibility for other financial aid. I understand the federal work-study funding for my employment is limited to my eligibility for the program and to Edison's federal work-study budget. I understand when either my allotment or Edison's budget is exhausted; I will no longer be able to work under the federal work-study program, as there will be no funding for compensation. Please determine any eligibility I might have for the federal work-study program. I give permission to release federal work-study eligibility information to Human Resources to be noted on my application.
