

# EDISON STATE COMMUNITY COLLEGE 2019-2022 PRIORITY PROJECTS

## MISSION STATEMENT

Edison State Community College provides the learning opportunities, support services, and commitment that enable students to complete their educational goals and realize their dreams.

## VISION STATEMENT

Edison State Community College will be the region's premier resource for higher education by employing our core values, commitment to student success, strategic initiatives, and community collaboration.

ACADEMIC & CO-CURRICULAR PROGRAMMING	COLLEGE CREDIT PLUS	FACULTY	MARKETING	PARTNERSHIPS
Career Readiness Curriculum	Building CCP Service Capacity	Progressive Faculty Development	Marketing Edison State's Educational Footprint	Edison State Community Collective
Enhancing the quality and employability of our students, graduates, and alumni through cultivation of community and business partnerships.	Offering consistency in student services to CCP students at all locations, utilizing the Guided Pathways model.	Providing a framework for consistent delivery of curriculum within all sections and all subjects, including CCP, in all formats.	Analyzing marketing strategies and structures to create a strategic marketing plan focused on strengths that align with community priorities.	Creating a centralized hub for Edison State offerings, community partnerships, and event information.
